

Halo the Worlds First Non Bio laundry detergent **proven to Kill MRSA & C.Difficile spores**

The world's first Non Bio Liquid laundry detergent scientifically proven to Kill Hospital Super Bugs.

Proven effective against MRSA, C.Difficile, Listeria, Salmonella, E.Coli and Fungi.

Halo Non Bio Laundry liquid kills the bacteria which are trapped in the weave of the fabric thus allowing the clothing to breathe. It continues to work by leaving behind active agents in the weave of the clothing.

Unique Formula

- Tough on Stains
- Kind to sensitive skin
- Works as low as 30 degrees
- Scientifically proven
- Cares for and your family

British Standards Approved

Tested by Independent laboratories and UK laundry technology centers. Approvals EN13704, EN1276, EN1275.

The Benefits
